

### Maintenance Access Solutions For all Types of Aircraft

A superior range of purpose designed taildocks and staging manufactured to fit all military and civilian aircraft and hangars, reducing aircraft downtime and improving safe maintenance practices.

- The world leader in the design and manufacture of aircraft maintenance docks and staging.
- AMSS docks and stagings significantly reduce aircraft down time and are the foundation for efficient safe maintenance practices.
- Purpose designed multi-aircraft installations.
- Stable and shake-free platforms promoting user confidence especially when working at high level.
- Clear and uninterrupted work platforms with no cross bracings or stays providing superior aircraft maintenance access.
- Health and Safety stairways and hand railing guaranteeing maintenance personnel security up to and on all working platforms.
- Fail-safe drive systems, powered moving levels and sliding profile platforms.
- Electric, pneumatic and lighting services together with lifting equipment can be incorporated.
- Easily manoeuvrable mobile stagings allow efficient aircraft dock/de-docking.
- World leader for weatherproof powered clamshell multi aircraft fit taildock structures.
- Extensive portfolio of completed installations for the world's Civilian Carriers and Military Agencies.
- Turn-key service, design, manufacture, construction and commissioning.
- Offshore project management. Our specialist engineers are experienced at supervising 'in country' manufacture and installation.

“ Over 500 major docking and staging solutions provided worldwide ”

A sample list of just some of the aircraft types for which AMSS has designed, manufactured and installed various aircraft docking and staging systems over the years:

- A300
- A310
- A320
- A340
- A380
- A400M
- B707
- B727
- B737
- B747
- B757
- B767
- B777
- B787
- C17
- C130
- Canberra
- Concorde
- DC8
- DC10
- E3 AWACS
- EH101
- F100
- F27
- Harrier
- Hawk
- HS125
- HS146
- Nimrod MR2
- Nimrod MRA4
- Sea King
- Tornado
- Tristar
- Tucano
- Typhoon
- VC10
- WAH 64 Apache
